

SA PRO TRAINER SCHEDULE

About the Zoom Sessions

The content of the course is taught via recorded via. The Zoom calls are supplemental so don't worry if you can't make them live – most people watch the recordings.

If you do want to attend the Zooms are at the same time every Monday and Wednesday.

- 11am LA
- 12pm Mountain (Julie's time zone)
- 2pm NY
- 7pm UK
- 8pm CET

We use the same link for every Zoom call so no scrabbling around looking for links last minute: subthresholdtraining.com/zoom.

To make things super easy for you (I'm all about easy!) the Zoom recordings come with captions and are fully searchable.
